MEMORANDUM FOR: Special Support Assistant/DDS

ATTENTION:

SUBJECT:

Claims for Reimbursement

1. You have requested the opinion of this Office concerning the claims for reimbursement of [redacted]. The memorandum prepared by your Office for transmission to the Chief of Administration, WE, together with the accompanying papers which were left with this Office, are returned.

2. Each of these three cases relates to an expenditure of money by the individual concerned over and above the quarters allowance for his grade. The present submission of the claims for review has been made on the basis that a considerable number of employees in the Field are provided quarters allowances rather

this Office that such a determination may not be made after the fact. This is our opinion even though the individual did expend an amount in excess of his quarters allowance and regardless of whether the additional expenditure arose from forfeiture or penalties as a result of cancellation of lease, or whether the amount of rental was in excess of the quarters allowance granted.
